Debut Contemporary supper

It was surprising that anyone at the Debut Contemporary party had time to look at the work by artists Cat Soubbotnik, Ben Levy and Maria Laura Matthey. The Italian Supper Club created a pop-up restaurant in the gallery and fed everyone an arty feast, including a starter served in a specially-made sardine tin (inspired by one of Cat's photographs). Luckily, although it looked like art, the food didn't taste like art - and the whole lot was scooped, before everyone got back to gazing at pictures of Vivienne Westwood, necking down copious amounts of Italian wine in the process.
